A woman was in bed with her lover when she heard her husband

opening the front door.

'Hurry,' she said, 'stand in the corner.'

She rubbed baby oil all over him, then dusted him with talcum powder.

'Don't move until I tell you,' she said. 'Pretend you're a statue.'

'What's this?' the husband inquired as he entered the room.

'Oh it's a statue,' she replied.

'The Smiths bought one and I liked it so I got one for us, too.'

No more was said, not even when they went to bed.

Around 2 AM the husband got up, went to the kitchen and returned with a sandwich and a beer

'Here,' he said to the statue, have this.

I stood like that for two days at the Smiths and nobody offered me a damned thing.'

It was a small town and the patrolman was making his evening rounds.

As he was checking a used car lot, he came upon two little old ladies sitting in a used car.

He stopped and asked them why they were sitting there in the car. Were they trying to steal it?

'Heavens no, we bought it.'

Then why don't you drive it away.'

We can't drive.'

Then why did you buy it?'

'We were told that if we bought a Used car here we'd get screwed ...so we're just waiting.'

Two businessmen in Florida were sitting down for a break in their soon-to-be new store. As yet, the store wasn't ready, with only a few shelves set up.

One said to the other, 'I bet any minute now some senior is going to walk by, put his face to the window, and ask what we're selling.'

No sooner were the words out of his mouth when, sure enough, a curious senior walked to the window, had a peek, and in a soft voice asked "What are you sellin' here?'"

One of the men replied sarcastically, "We're selling assholes."

Without skipping a beat, the old timer said, "You're doing well. Only two left."

A little boy got on the bus, sat next to a man reading a book, and noticed he had his collar on backwards. The little boy asked why he wore his collar backwards...

The man, who was a priest, said "I am a Father."

The little boy replied "My Dad doesn't wear his collar like that."

The priest looked up from his book and answered "I am the Father of many."

The boy said "My Dad has 4 boys, 4 girls and two grandchildren and he doesn't wear his collar that way."

The priest, getting impatient, said "I am the Father of hundreds" and went back to reading his book.

The little boy sat quietly thinking for a while, then leaned over and said, "Maybe you should use a condom and wear your pants backwards instead of your collar."

Two medical students were walking along the street when they saw an old man walking with his legs spread apart. He was stiff legged and walking slowly.

One of the students said to his friend: "I'm sure the poor old man has Petry Syndrome."

Those people walk just like that."

The other student says: "No, I don't think so. The old man surely has Zovitzki Syndrome."

He walks slowly and his legs are apart just as we learned in class."

Since they couldn't agree they decided to ask the old man.

They approached him and one of the students said to him: "We're medical students and couldn't help but notice the way you walk, but we couldn't agree on the syndrome you might have. Could you tell us what it is?"

The old man said: "I'll tell you, but first you must tell me what you two fine medical students think."

One of the students said: "I think it's Petry Syndrome." The old man said: "You thought..... But you are wrong."

Then the other student said: "I think you have Zovitzki Syndrome."

The old man said: "You thought..... But you are wrong."

So they asked him: "Well, old timer, what do you have?"

The old man said: "I thought it was GAS..... But I was wrong!"

A man seeking to join the Bloomfield, New Jersey's Sheriff's Office

The Deputy doing the interview says: "Your qualifications all look good, but there is an attitude suitability test that you must take before you can be accepted."

Then, sliding a service pistol across the desk, he says: "Take this pistol and go out and shoot six illegal aliens, six meth dealers, six Muslim extremists, and a rabbit."

"Why the rabbit?"

"Great attitude," says the Sergeant. "When can you start?"

A father walks into a restaurant with his son. He gives the young boy 4 nickels to keep him occupied. Suddenly, the boy starts choking, going blue in the face. The father realizes the boy has swallowed the nickels. He starts slapping him on the back. The boy coughs up 3 of the nickels, but keeps choking. The father panics, and shouts for help.

A well dressed and serious looking woman, in a blue business suit, is sitting at a coffee bar reading a newspaper. She hears the shouting, puts her coffee cup down, folds the newspaper, places it on the counter, gets up and makes her way, unhurried, across the restaurant. Reaching the boy, she drops his pants, takes hold of the boy's testicles, and starts to squeeze and twist, gently at first and then ever so firmly. After a few seconds the boy convulses and coughs up the last nickel, which the woman deftly catches in her free hand. Releasing the testicles, the woman hands the nickel to the father and calmly walks back to her seat without saying a word.

As soon as he's sure his son has suffered no ill effects, the father walks over to the woman and thanks her saying, 'I've never seen anybody do anything like that before - it was fantastic...are you a doctor?'

'No,' the woman replies, 'I'm a divorce lawyer.'

World's Shortest Fairy Tale

Once upon a time, a guy asked a girl 'Will you marry me?'

The girl said, 'NO!'

And the guy lived happily ever after and rode motorcycles and went fishing and hunting and played golf a lot and drank beer and scotch and had tons of money in the bank and left the toilet seat up and farted whenever he wanted. The End.
