 Free Riders Press will be running a combined issue for October/November. Look for that issue around October 10th. Enjoy the rest of the summer....  
**PS: Don't worry We're not going anywhere.**

**Meet This Month's Next Generation Riders.**  
 These pictures were taken at the 2009 Milwaukee Rally. I'm thinking they all had a good time.

If you have a picture of your Next Generation Rider, feel free to send it in to me. Who knows it just might kick start a Hollywood career for them. Send those pic's to preacher@freeriderspress.us or by snail mail to 4500 Hwy 66, Stevens Point, WI 54481

**From Me to You.**

Well I would like to say that I have no major, gripes, whines or bitches this month. All in all this has been a really busy summer with September looking no different. I am planning on catching the couple of Veteran events that are happening. First one being August 28th in Wausau and the second being at Kutter HD Sept 25th. Any event that raises money for our heroes rocks. Which leads me into my event that I am putting on during Fall Ride in Tomahawk September 17-19th. I am working with a foundation that will be working to help end homelessness among our Veterans. I will have camping, music and a group ride Saturday that will give you some beautiful scenery you will not soon forget, while supporting a few of the Free Riders Press advertisers. I will have more on the foundation in future issues. See our ad in this issue.

That brings September and the onslaught of events that are happening. Milwaukee Rally is the 2nd - 5th. There is a lot to do and many places to see so check out their ad and website [www.milwaukee rally.com](http://www.milwaukee rally.com) for more info. I will also be catching the Kettle Moraine Ranch's event at the same time. [www.kettlemoraineranch.com](http://www.kettlemoraineranch.com) Can't ever be too busy, can ya!!! Same goes for Tomahawk Fall Ride. Lot's to do and see so check that site also. [www.tomahawkfallride.com](http://www.tomahawkfallride.com). Come see the Free Riders Press booth on Main Street in Tomahawk at the Rodeo Bar.

9/11 seems to be the weekend everyone seems to want to capitalize on due to the notoriety of the date. Can't blame anyone but it doesn't seem right to have a party considering what the US went through on that day. But since the events are happening here's where I will be. 9/11 event in Watertown that serves to remember the fallen and not give a shit about the feelings of those that smiled on that day. See their website for more. [www.standtall-rememberbbq.com](http://www.standtall-rememberbbq.com) the Big Border Rally in Twin Lakes put on by our friends at WI/IL biker information guide. I have never been there but I'm sure it will be something to write home about (on second thought I may not want to HEHE) [www.bigborderrally.com](http://www.bigborderrally.com)

That should about do it for me due to the fact that I only have 28 hours a day worth of stuff to do. Please notice that we will be combining the October/November issue due to the fact that I need a break. We will be back on schedule for the December issue. So read these next two issues slowwww, or in some cases have the person that's reading it to you read slower and spend extra time looking at the pretty pictures.

Enjoy the rest of the riding time this year and don't forget to check the FRP calender for anything coming up. I will see you somewhere guaranteed.

**"Bingo's Downed Biker Fund"**

If you have a Brother or Sister down and would like to get them the Free Riders Press, NO PROBLEM, be glad to do it but it does cost money. A lot of people help out by donating some coin. We here will do what we can, but with everybody giving what they can, we will make it go a long way. We all know somebody that's down, and anything would be greatly appreciated.
