

Here are a few pictures of Harley Davidson of Wausau's Rockin' Ride Against Cancer for St. Jude that was held June 18 & 19th. The two day event was packed with entertainment and a poker run Fri & Sat along with a parade from HD of Wausau Saturday. I was not able to attend but from all the smiles in these pictures everyone had a great time. Hopefully I can make next years event. www.hdwausau.com

Info on the Historic Yellowstone Trail
Before there were numbered highways in the U.S. there were names attached to roads to help motorists navigate from town to town or from county to county. The Yellowstone Trail in Wisconsin ran 406 miles from Kenosha to Hudson, through 18 counties. Thanks in part to a small group of visionaries in four counties of Portage, Wood, Clark and Chippewa, in cooperation with the Wisconsin Department of Tourism, motorists can once again experience this storied piece of Wisconsin history.

This tour will be an extremely friendly and fun-filled ride that you won't want to miss! All riders welcome.
