Here it is almost September already, and I am just now racking up some good miles since the start of the late spring riding season. So far I have only managed 8000 miles, but according to my credit card receipts with the price of gas maybe that's all I can afford. I guess I will need to get some electric wear for myself so I can continue riding later into the year. I need to start out with a couple of corrections from last months editorial. To Rick & Ricky from Wally World in King, a big thanks for the help I desperately needed. Jim & Jimmy my imaginary friends, be gone. Also to Tracy with a y not an I. There I think the corrections are complete. LOL

I had a couple of 1st's happen recently. I got to do a phone interview with my all time favorite fiddle playing musician, Charlie Daniels. Also I was asked by friends Jackie & Mark to help officiate their wedding. Talk about nerves, but with the help of all around good guy and friend Pastor Sam who took time off to help me out, I got through the wedding. Granted a couple of drinks probably wouldn't have hurt any with either event, but they are both in the past. Congrats to the happy couple and a big thanks to Jennifer from Wisconsin Biker Information Guide for the chance with Charlie along with the room to crash in. You all rock.

A short reminder that this will be the last issue till the Oct/Nov issue the will come out in the middle of October. Since there isn't much to do paper wise, I'm going to take a few mini breaks over the winter again. Hence there will be no Free Riders Press bike nights for a while, but if you want to have one at the Speedway during Fall Ride, I guess I could be talked into it. Let me know if there is any interest, if there is I will post on my calendar. So keep an eye on it.

A few places I will be in the next couple of months are the Horse Rally in Sabula, The Milwaukee Rally, Stand Tall & Remember BBQ, Tomahawk Fall "Ride for Vet", the 3rd annual Day of the Dead Party at Okauchee Lions Park and the Road Runners Ball. These are tentative and as you know me, I can change my schedule in a heartbeat.

A short reminder to those of you heading to Tomahawk for Fall Ride. Check out information about my venue at the Tomahawk Speedway. www.tomahawkfallrideforvets.com. We are asking that if you are attending the "Don't Tread on Zien" ride Saturday September 17th that you let us know if possible so we can have a semi close guess on what to expect. Other than that I am going to sign off and get ready for Fall Ride. Have a great ride and I will see you in the wind.

This Month's Next Generation Riders.
A picture, a little imagination and photo alteration capability. Noah went for a ride on Grandpa's bike. Really!!!

If you have a picture of your Next Generation Rider, feel free to send it in to me. Who knows it just might kick start a Hollywood career for them. Send those pic's to preacher@freeriderspress.us or by snail mail to 4500 Hwy 66, Stevens Point, WI 54482

A message from Bingo about his Downed Biker Fund...
 Due to my age and failing health I propose that all donors to 'Bingo's Downed Biker Fund' send their donations directly to The Free Riders Press. If sending a money order or check - make it out to the Free Riders Press. If sending cash, put it in between a folded piece of paper, If every club in this state would only send \$5.00 a month - that would MORE than cover the postage for the papers to be mailed out each month. I will still try to answer all the letters I get from the brothers in prison. Bingo

" Bingo's Downed Biker Fund"
 If you have a Brother or Sister down and would like to get them the Free Riders Press, NO PROBLEM, be glad to do it but it does cost money. A lot of people help out by donating some coin. We here will do what we can, but with everybody giving what they can, we will make it go a long way. We all know somebody that's down, and anything would be greatly appreciated.
