

Ozaukee Guzzlers Grass Drags

June 18, 2011

Grass drags, ever seen 'em? I finally went to see them at the Filmore Sportsman's Club. I was in Milwaukee for a wedding so I figured hell ya, I'm there. After all my cousin will forgive me for working right?

In the middle of the hot spell I went to see the drags. The set-up is key and these brothers have all the angles figured out. With an announcing booth, timers, bleachers and safety fencing for the fans. Racers of all ages vying for cash prizes running hard down the 100 yard track, the competition was pretty wild. Just like any kind of racing though, you can tell the hardcore racing nuts as soon as they make their run. Full throttle, in it to win it they're gone!!

The many different classes made it doable for anyone that wanted to participate. From ATV's to 2- wheels, from stock to balls to the wall built. But like any event it's about the people. It's fun to see the little kids running their automatics knowing that someday these little guys will dominate the field. It's great to see the different clubs that I don't get to see very often. It's also fun watching the fans cheer on a certain entrant to victory. It's exciting to say the least.

The Ozaukee Guzzlers M.C. have been doing these drags for years. If you missed the spring drags don't worry there is another drags coming up October 8th. Same place, same excitement and same good time. For more on the drags check out www.ozaukeeguzzlersmc.com
