

Tomahawk Fall Ride 2011

Last year during the Tomahawk Fall Ride it was a let down for me. Not enough time to promote my event and weather that didn't seem to agree with the motorcyclists that attended. But we are not here to dwell on a downer, we want to be bright and cheery.

You may have noticed some ads for the Fall Ride in the previous 3 issues. This year is shaping up to be a much better event. Bands are locked in for the weekend. Thursday is Little Cisco, Friday is Sloppy Joe with some foot stomping slop grass (blue grass style) and Saturday is Mandatory Overtime out of Milwaukee. There may also be some surprise entertainment showing up but with that we will have to wait and see what happens. Along with food on site and vendors to check out, the place to be is at the speedway.

The Saturday "Ride for Vets" has turned into the "Don't Tread on Zien" ride for this year to help Dave out with expenses from his bike accident. I have been told he has a few veterans groups that may get some of the funds. The ride is \$10/ rider \$15/couple that will be accompanied with raffles and door prizes. For more info on this part of the event contact forzien@yahoo.com.

I do need to clear up a couple of things. The Tomahawk Fall Ride for Vets is my event. It is held at the Tomahawk Speedway, and I am working with the owner of the speedway to build a great event in the future. For those of you that have been at the speedway in the past, I have camping available on top and down by the bar where the entertainment will be. Camping and entertainment is \$50/couple or \$30/ single for the weekend.

There is also the Tomahawk Campground & RV Park on the Speedway premises that is not part of the Fall Ride for Vets weekend. It is owned and run by the owner of the track. It is more expensive at the campground so when you call and make reservations, now you know that there is a difference and it may settle any confusion the weekend of the event. Check the website www.tomahawkfallrideforvets.com for prices and more details.

During the weekend there are other places to hit like the Phillips Rumble on Saturday noon - 5pm at Steve's Service Center on Hwy 13, south of Phillips 3 miles. You also have happenings at Bubba's Big Party at Nokomis Park on Cty. Rd. L www.tomahawkfallride.com and the downtown street dance Friday & Saturday evening with plenty of vendors to check out. The Thunder Parade is Friday and starts forming at the Tomahawk School Complex at 5pm. All I can say is once you get to Tomahawk stop when you see something of interest and enjoy the beautiful scenery of the North Woods.

This year we are going to have bright sunny days, warmer than sleet temperatures and attendance to rock the North Woods. At least that's my story for now. Stay tuned till next issue for prediction results.
