The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture.

'Just think how nice it will be to look at it when you are all grown up and say, 'There's Jennifer, she's a lawyer,' or 'That's Michael, He's a doctor.'

A small voice at the back of the room rang out, 'And there's the teacher, she's dead.'

A religious women upon waking up each morning would open her front door stand on the porch and scream, "Praise the lord." This infuriated her atheist neighbor who would always make sure to counter back, "there is no Lord." One morning the atheist neighbor overheard his neighbor praying for food, thinking it would be funny, he went and bought her all sorts of groceries and left them on her porch. The next morning the lady screamed, "praise the Lord, who gave me this food." The neighbor laughing so hard he could barely get the words out screamed "it wasn't the Lord, it was me." The lady without missing a beat screamed "praise the Lord for not only giving me food but making the atheist pay for it!!"

A few old couples used to get together to talk about life and to have a good time. One day one of the men, Harry, started talking about this fantastic restaurant he went to the other night with his wife. "Really?", one of the men said, what's it called? After thinking for a few seconds Harry said, "what are those good smelling flowers called again?" "Do you mean a rose? the first man questioned. "Yes that's it," he exclaimed. Looking over at his wife he said, "Rose what's that restaurant we went to the other night?"

At the height of a political corruption trial, the prosecuting attorney attacked a witness. "Isn't it true," he bellowed, "that you accepted five thousand dollars to compromise this case?" promise this case?" the lawyer repeated loudly. The witness still did not respond. Finally, the judge leaned over and said, "Sir, please answer the question." "Oh," the startled witness said, "I thought he was talking to you."

So after a long day at work I come home to an empty house. I proceed to the kitchen where I find a note from my girlfriend. " this isn't working, I'm sorry but I just can't take it, I'm going yo go live with my mother" But then I opened the fridge the light came on and the beer was cold. What the hell was she talking about?

The lady next door ran over my cat. She said she'd replace it, so I asked her how good she was at catching mice.
