

I attended Tomahawk Fall Ride last year and did what I typically wouldn't do. I parked downtown and walked over to Sara Park and checked it out for awhile. After that I headed over to see Mike and the crew at Lincoln County Cycles. The bikes were coming and going all day to check out the music, vendors and just to relax. After awhile I headed up to Twin Bay Resort on County Road L located right before Bubba's Big Party at Nokomis Park. If you want a good pizza and some good company stop in and say hi. Twin Bay really does go all out for the bikers. Not just a week a year but year round.

Then it was off to Bubba's to say hi to all my friends and fellow vendors. It is good to see some of them that you may only see a couple times a year. That's what makes this event cool. Great riding, weather can change on a dime, but if you're ready, you can make a week of fun out of it.

I may see you there this year, but I may need to hit the road and work, so if I don't make it have a good time everyone. This year's event is the 16th through the 20th of September.
